VIDYODAYA has always aimed to nurture the habit of lifelong learning in students, imperative for their holistic development.

We, in association with KERALA CHALACHITRA ACADEMY presents DRISHYODAYA, the International Children's Film Festival. Through world class cinema, students shall be exposed to different cultures that would inspire creativity and imagination. They shall gain familiarity with media literacy, film appreciation, critical thinking and many other subtle yet vital domains.

Expecting your whole hearted participation
